Profile

 Front-End Developer with a solid foundation in HTML, CSS, JavaScript, and responsive design. I am passionate about crafting visually appealing and user-friendly web applications. Known for clean, efficient code and a keen eye for detail. I am eager to contribute innovative solutions and grow within a dynamic team.

Experience

ALX SOFTWARE ENGINEERING | STUDENT   **MAY 2023 – JULY 2024**

· Built and optimized front-end applications using advanced JavaScript, HTML, and CSS techniques.
· Developed web-based systems with dynamic functionalities, including inventory control and secure user authentication.
· Implemented and analyzed algorithms to enhance application performance and efficiency.

SHARPEVILLE CLINIC CHC | VOLUNTEERING   **APRIL 2022 – JANUARY 2023**

· Verified prescriptions, managed drug inventory, and assisted in lifting stock boxes.
· Streamlined process, significantly reducing wait times, and creating a more efficient workflow.

Education
